

**FRIENDS OF THE SANTA CLARA RIVER
VOLUNTEER WORK DAYS
Various Locations!!!**

Contact Jackie Worden for more information: jbworden7@gmail.com

The 2010-2011 workdays will be at various locations along the Santa Clara River, including properties owned by The Nature Conservancy at Briggs Road and east of the Hedrick Ranch Nature Area, and other locations.

The first workday will be on October 3rd at the Hedrick Ranch Nature Area (directions below). The locations of future workdays will be posted on the FSCR website and emails will be sent out at least two weeks prior to the event. For each workday, plan to meet at 9:00 am and finish by 11:30 or 12:00. Bring water and sun protection; we have some tools and gloves, but it's always nice to bring your own. Note: Some locations will not have porta-pottie or other facilities.

LONG PANTS AND BOOTS OR CLOSED SHOES ARE REQUIRED

Because of our healthy population of rattlesnakes, *this dress code will be strictly enforced!!*
